Welcome Addresses for the 46th Annual Meeting on Nuclear Technology (AMNT 2015) . . . . 275
Grußworte zum 46th Annual Meeting on Nuclear Technology (AMNT 2015) . . . . . . . 276

Astrid Petersen and Ralf Güldner

Contents ........................................... 278

Abstracts | English ................................ 280
Abstracts | German .................................. 281

Inside Nuclear with NucNet
Why the Risks of Nuclear are “Greatly Exaggerated” ............................................. 284

NucNet

Imprint .................................................. 293

Calendar ............................................. 286

Operation and New Build
Towards Safe Long-Term Operation of Reactor Pressure Vessels ............................ 287

Jenny Roudén, Hieronymus Hein, Johannes May, Tapio Planman, Patrick Todeschini, Milan Brumovsky, Antonio Ballesteros, Ferenc Gillemot, Rachid Chaouadi, Pal Efsing and Eberhard Altstadt

Implementation of Multiple Measures to Improve Reactor Recirculation Pump Sealing Performance in Nuclear Boiling Water Reactor Service .............................................. 294

Gerard van Loenhout and Jürg Hurni
